Tamarack

Published by:
The Tamarack Staff '70, North Central High School, Spokane, Washington.
Printed by Pischel Yearbooks, Inc., Pasco, Washington.

Vol. LXI No. 59

We may live without poetry, music,
and art;
We may live without conscience and
live without heart;
We may live without friends, we may
live without books,
But civilized man cannot live without
cooks.

Owen Meredith

These words aptly describe the affection which everyone feels toward Mrs. Alice Gillespie to whom we dedicate this Tamarack. She has announced her retirement after faithfully serving this school since 1935. After her early years and schooling in Weiser, Idaho, she came to Spokane with Mr. Gillespie. Her compensation for the first assignment in the North Central cafeteria was reportedly twenty five cents an hour as a food assistant. She became head of the cafeteria in September, 1942. Her daughter, Mrs. Dean Johnson, attended North Central and kept an anxious eye on her mother! After retirement we may assume she will spend some time in Billings, Montana, visiting Mr. and Mrs. Johnson and her two granddaughters. Also on her list of activities will be caring for her mother, who lives with her, traveling, and some community service

Mr. Rodkey, Principal, had the following remarks to say about Mrs. Gillespie: "I doubt that any person who has ever worked at North Central was known by more students or was held in higher esteem. Some of her basic characteristics include sincerity, dedication, loyalty, friendliness, and charm. She has **truly** been successful. What greater praise can be said of a human being? All of us at North Central, past and present, thank you and wish you well, Mrs. Gillespie."

To Know How To Suggest Is
The Great Art of Teaching
Amiel

John P. Rodkey, Principal

At a meeting sometime ago, the speaker said that we erroneously think of a generation as twenty years. She said that today, five years constitute a generation! As we enter the decade of the 70's, will we see really two generations, or will this be even accelerated? We speak loosely about the "Generation Gap", about the lack of communication with parents, about the double standards of society, and about all of the inequities in our country. We mustn't forget that it is easy to criticize, but few people give enough thought and effort to suggest something better! Every person must

make a commitment about his attitudes toward his country, his family, his place of employment, and about organizations which he considers important to him. Many persons "freak out" of society. Mostly, however, North Central students have been proud to be a part of worthwhile ventures and to establish lofty goals for themselves. My question to each of us at North Central would say "What have you committed yourself to be and to do during the decade of the 70's?" The life blood of America is awaiting your response.

Dear Mary,
You'll probably be
able to tell all sorts of
ugly little things about my
personality from that handwriting
analysis course we took in here. I'm
printing so it doesn't count though.

This class, for me, has been so
rewarding! I've learned a lot about my
self and brought things closer to home that
I already knew. It's really great when a
class can keep it beautiful all year, same with
Mrs. Haugen's class, I learned a lot in there too.
That's such a fun class, she really means a lot to me.
I know not your plans for this summer
but I hope they're fun. Maybe will be in a
class together next year! This summer feels
good to me already! So many things today
new people to meet! I can't hardly wait!

Bye!!!

with Scott Garske leading the way.

This year's football team produced many surprises and disappointments. Some of the brighter moments included the first game victory over Shadle Park, Bob Ewell scoring the first two-point conversion in city league play, a thrilling 7-6 win over Rogers, Scott Garske being selected to the first team Review and second team Chronicle and Steve Hartman being named to second team Chronicle and first team Review. Some of the disappointments consisted of a

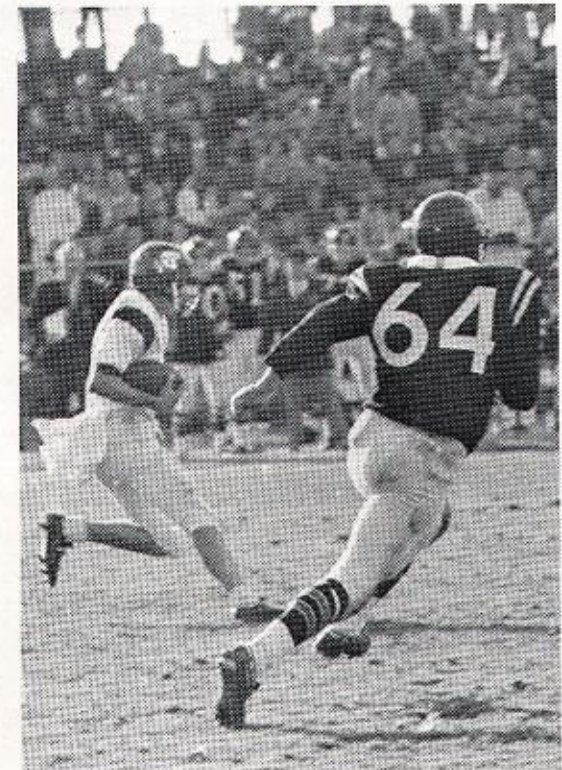

loss to Lewis and Clark in a very close game and a defeat by Ferris. Injuries kept the braves from their full potential. The Indians finished up the year with a disappointing overall 2-7 record for the year.

Next year's prospects look very good for head coach Jerry Martin. Returning, among many lettermen, will be sophomore quarterback, Dave Retter, and leading ground gainer, Barry Lines.

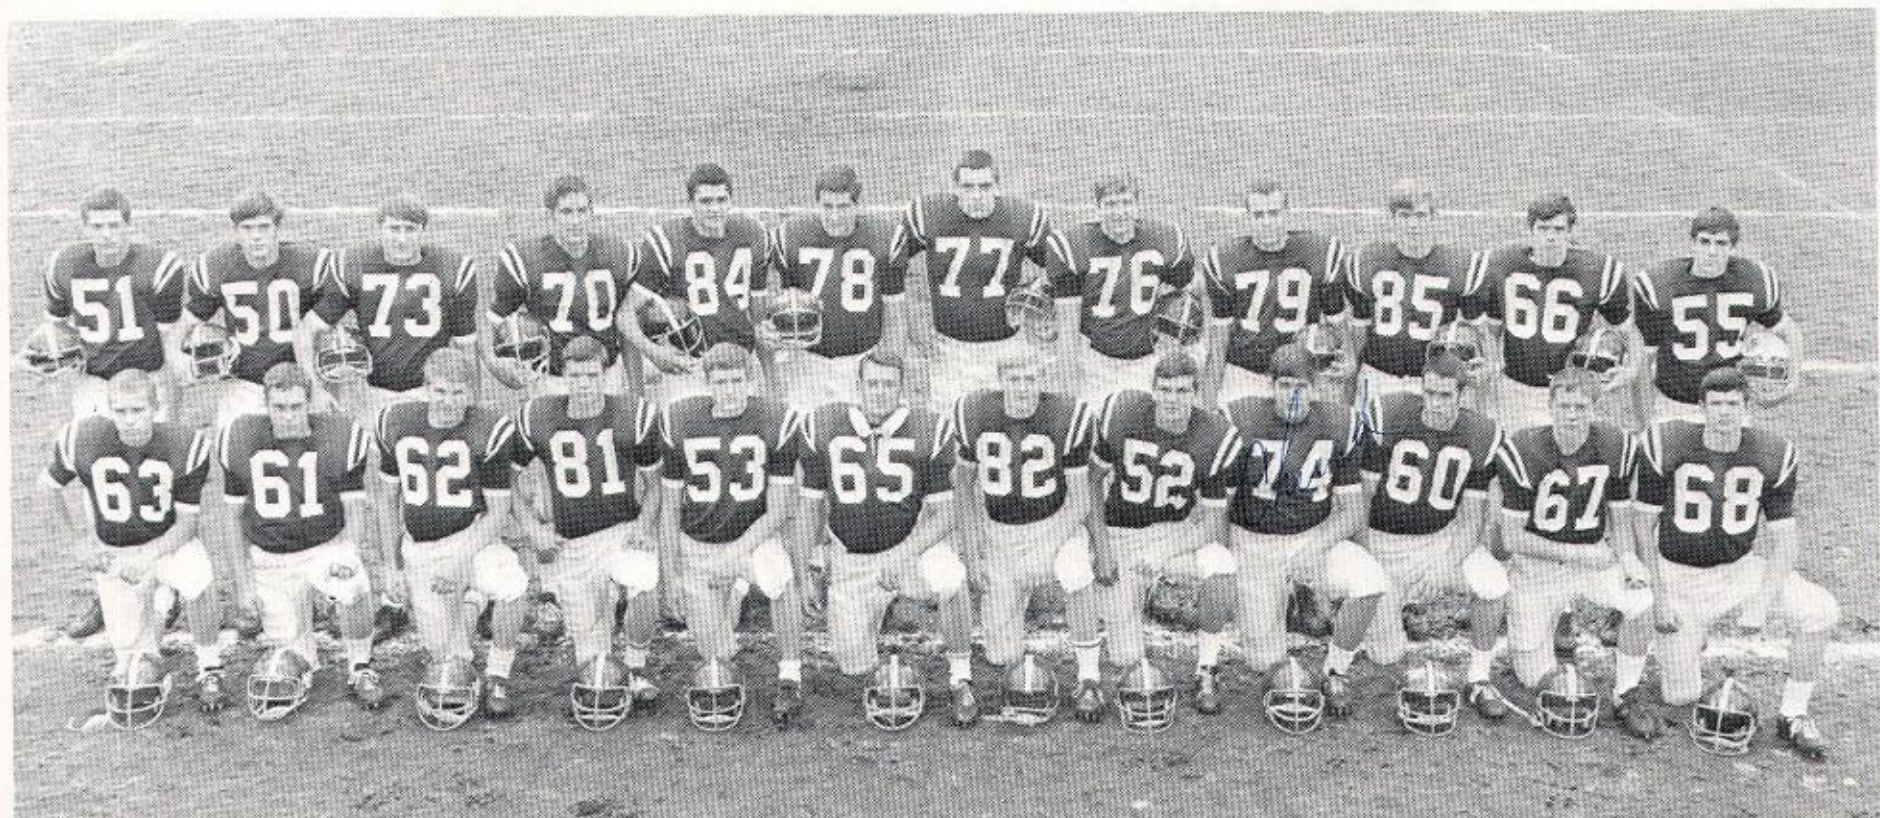

Managers: Emerson Webb, Carl Greer, Mike Almond, Victor Kane, Gary Hoff, and Mike McAllister.

This year's tennis team started out very well and kept improving as matches went by. Coached by Mr. William Nye, the tennis team ended in a tie for third place. The stalwarts on this year's team were Dan Wilson and Craig Stiles.

The 'B' squad was coached by Mr. Gregory Sanford this year. Many 'B' squaders played on the varsity level sometime during the season, which will help in future years.

Ron Alfonso and Dave Sivills keeping a close pace.

The biggest highlight of this year's cross country schedule was the surprising victory over Rogers. This marked the first time in fourteen years that N.C. defeated Rogers, Coach Long's alma mater. With just a few seniors leaving the team, the future looks very promising. Freshman Ken Henry should rate very high in the city league in the coming years.

Picking off the team awards this year were three year letterman Ron Saling, captain, and Paul Hamilton, most inspirational.

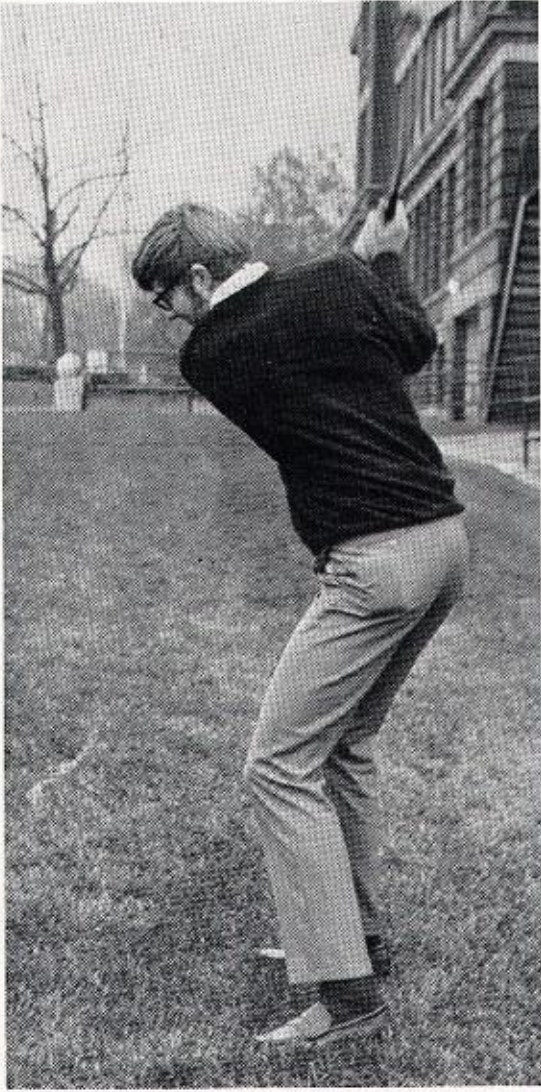

First row: Dave Sivills, Bill Funk, Dan Edmonds, Bill Krohn, Ken Henry, Duane Nelson, Martin Hansen, Paul Hamilton, Bill Reid. Showing perfect form is senior Bob Mitchell.

The golf team, led by captain Bob Mitchell, showed a few of the city squads very tough competition during matches at local golf

courses. Other prominent players included Pat "putter" Logan and Dave Boyson.

Coach Robert Barnard was very optimistic about the spring round in the city league.

The Game's Up

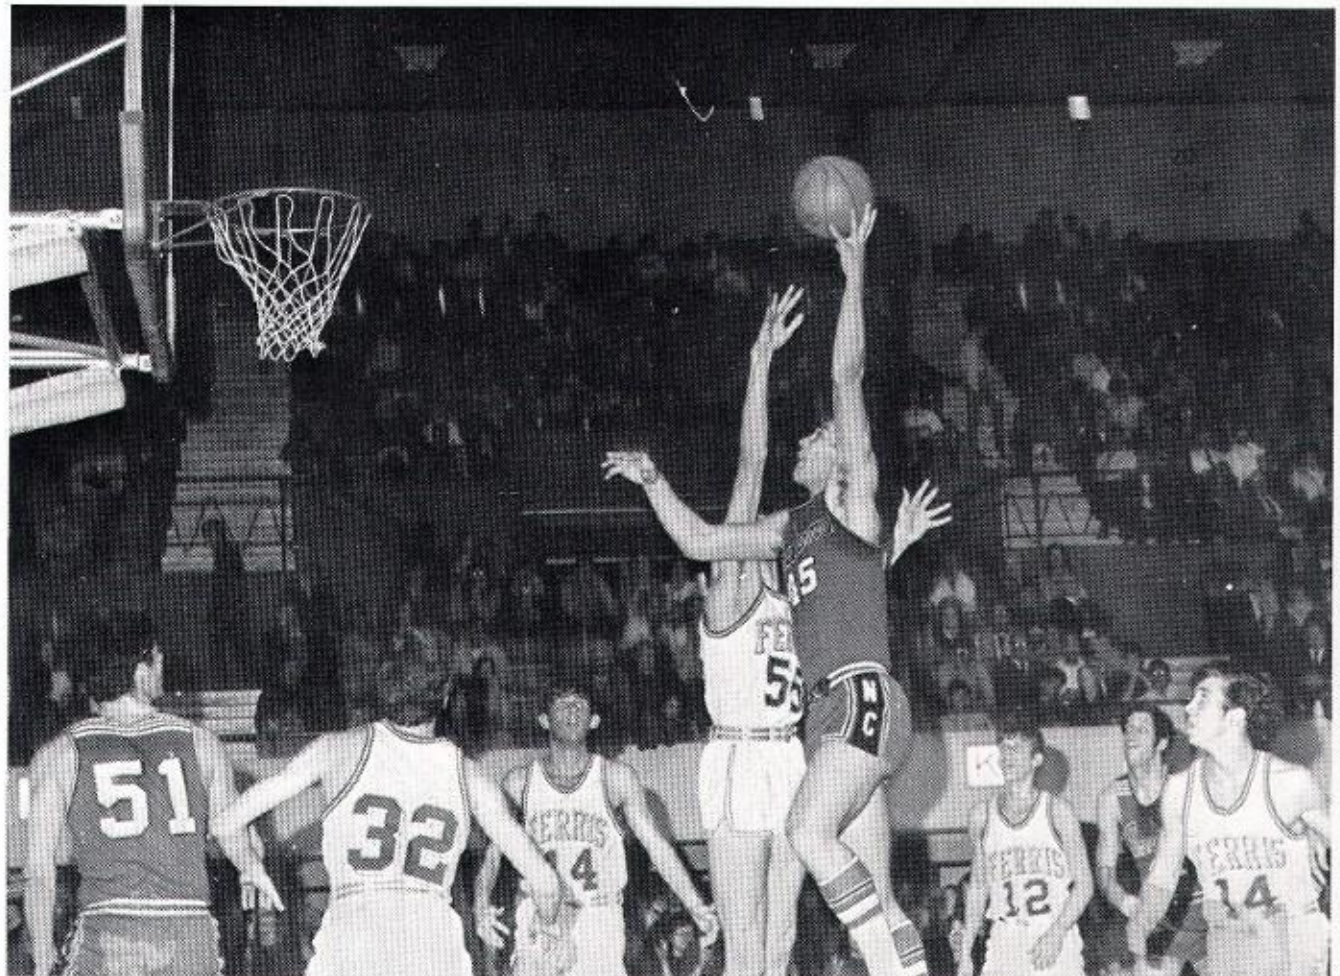

Shakespeare

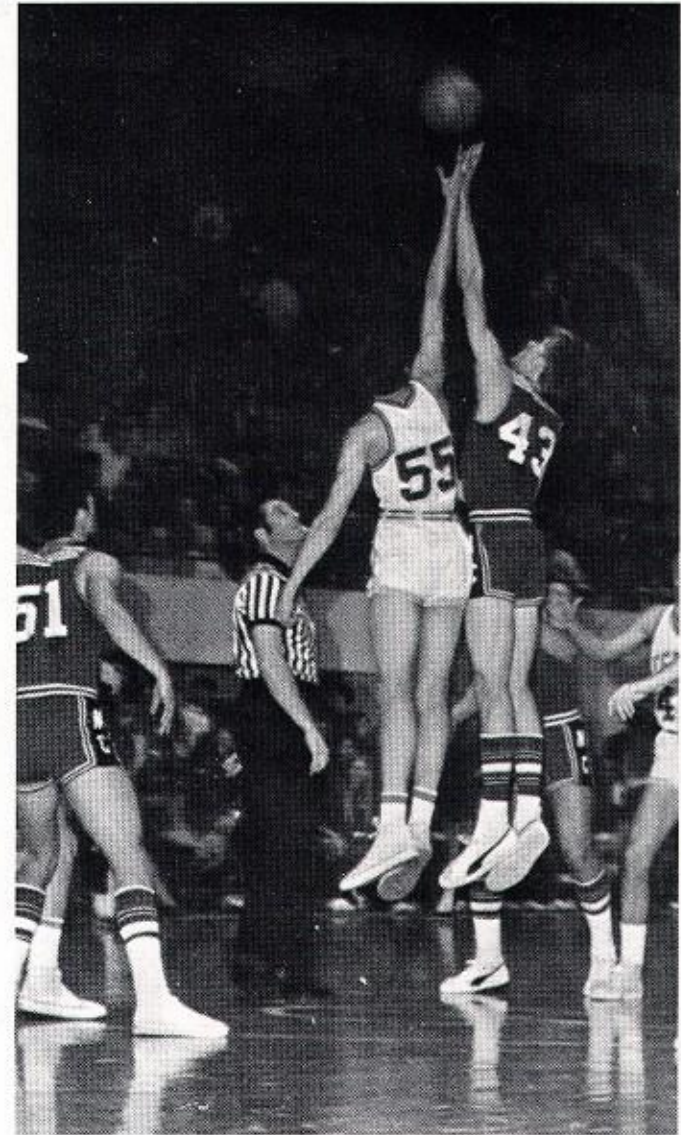

This year's seniors are Pat Logan, Warren Morrison, Bob Doughty, Dick Lewis, Scott Garske, Gary Mallon, Jay Sullivan, Dave Herron, Mike Hare, Steve Patterson, Mike Hache.

At times this year's team looked like a professional group of ball players. Other times the breaks just wouldn't come, as in the game against Wenatchee. With one second left North Central was behind by two points. Dave Herron rushed down under the basket and Pat Logan threw the ball from half court. Herron got the ball and with two men on him made the basket as the buzzer sounded. But after all that effort, N.C. lost in the over time.

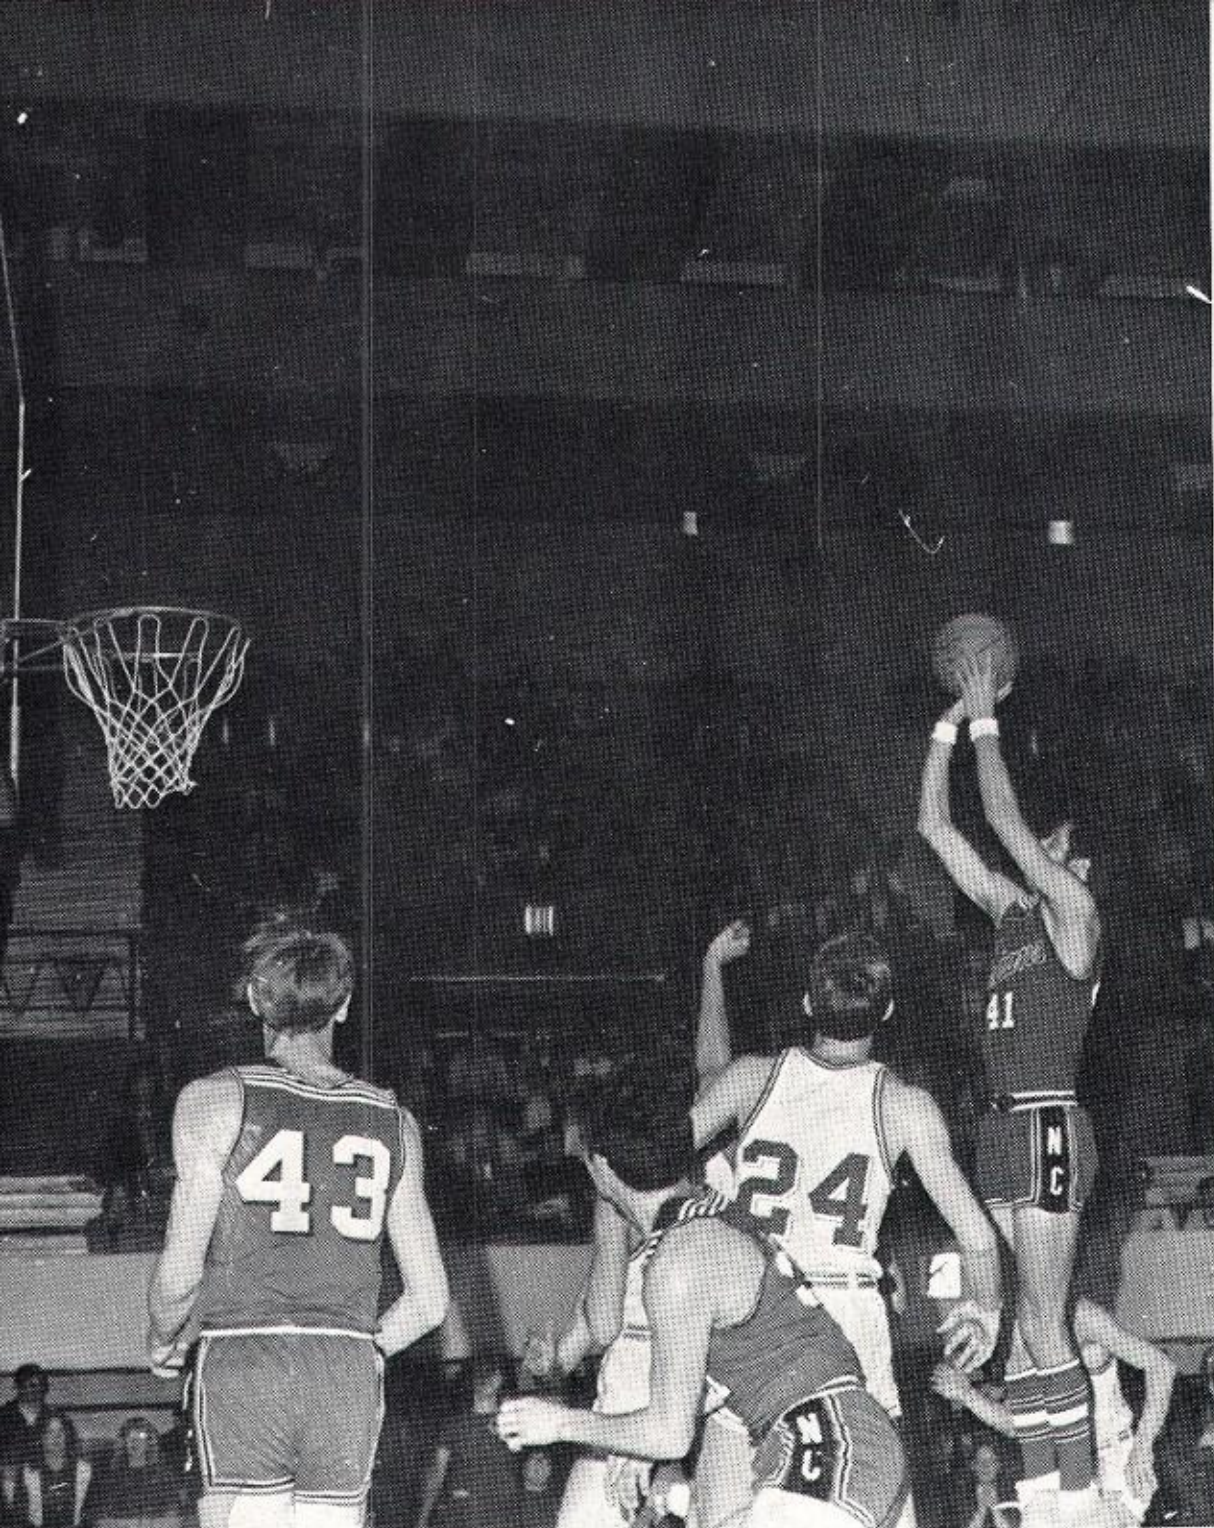

There were several standouts on the team. Herron and Scott Garske were the second and third leading scorers in the league, respectively. Herron made all-city first string and Garske, all-city second string. Herron and Logan were picked by Shadle as all-city candidates. The only junior that lettered was Duane Wald.

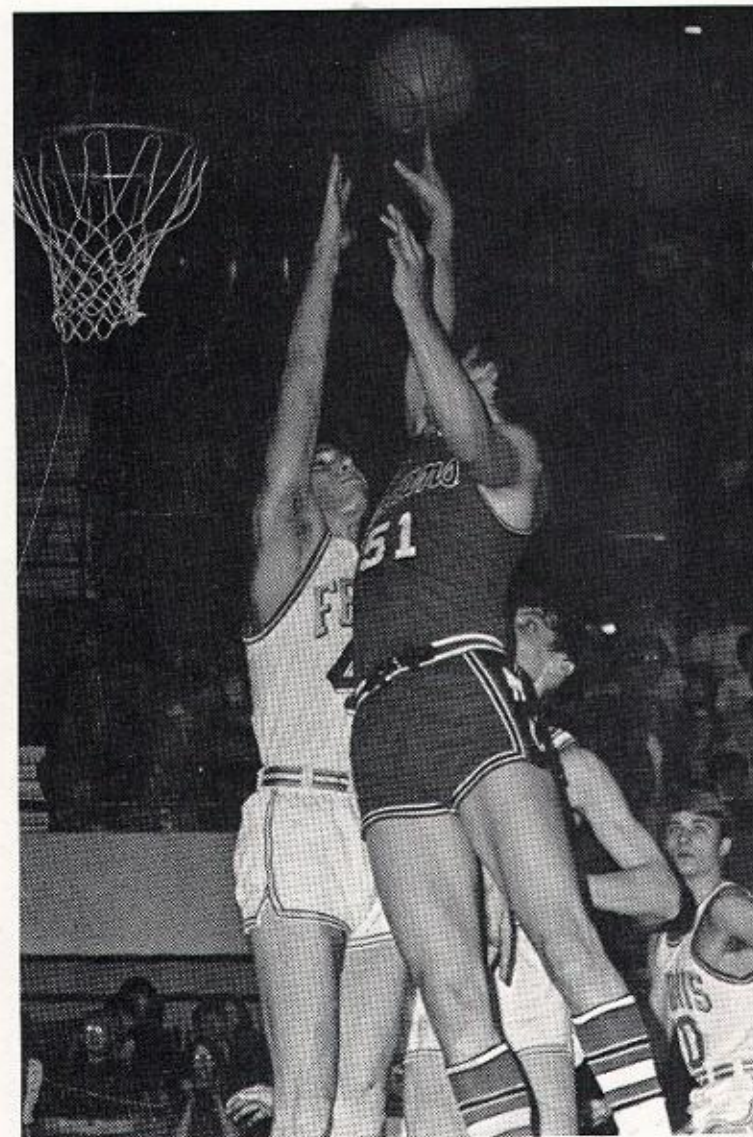

Scott Garske hooks a shot against Ferris.

Coach Chalich had a fairly successful season this year. Because of some unlucky breaks the team only placed third even though Coach Chalich said that this was his best team yet at N.C. Heading the team's scoring was Del Sandberg. Prospects for Varsity next year are Curt Lind and Mike Thompson as forwards. This was Coach Long's first year as frosh Basketball coach. He stressed teamwork and it seemed to work. The team placed fifth in a nine team league.

Off with a splash was this year's North Central Swim Team. Returning lettermen Kevin Morris, Bruce Morgan, and Ron Zoeller helped rack up points with consistent wins.

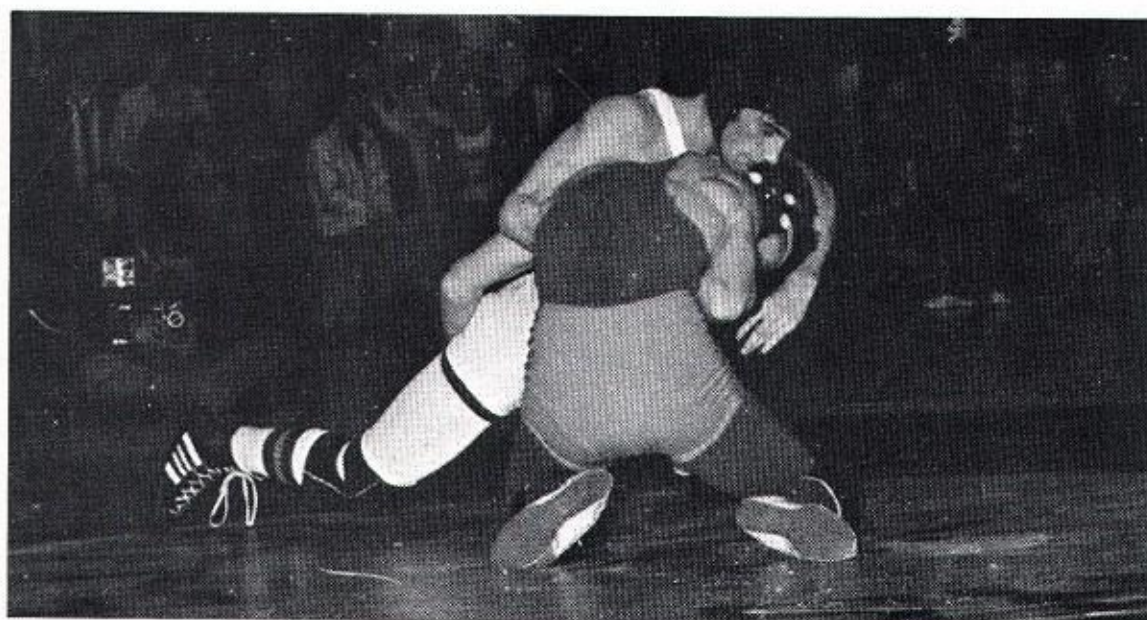

The team traveled to Shadle a number of times, then on to Walla Walla, Pullman, and W.S.U. for the District Five Championship.

Even though North Central had several outstanding wrestlers, the Indian grapplers could manage only a fourth place finish in City League standings. In sub-district competition the N.C. wrestlers finished in third place, second at district and tied for eighth at the state meet.

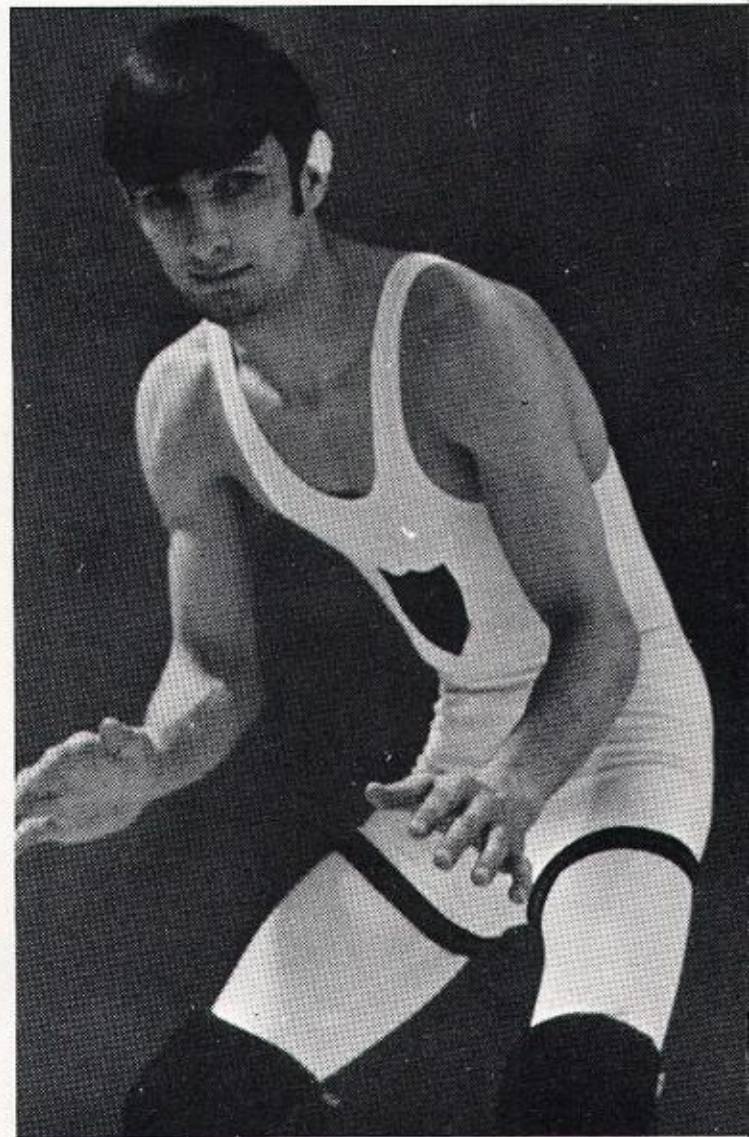

Dennis Culnane and Ben Ashley were chosen to wrestle for the Spokane Team against the touring Japanese National Team. Jim Shubert was picked as an alternate.

The track season started off with an exceptionally large turnout. Coaches Lister and Martin agreed that the enthusiasm was high and

that the team looked better than in the past few years. Strong contenders for all-city were Randy Schafer in the 880, Scott Garske in

the shot put, Mark Boswell in the pole vault, and Duane Wald in the hurdles. Frosh coach, Mr. Hurst, assisted with the varsity also.

On his way to a successful jump is Larry Collins.

Jerry Wald and Dick Lewis are off as they race in the high hurdles.

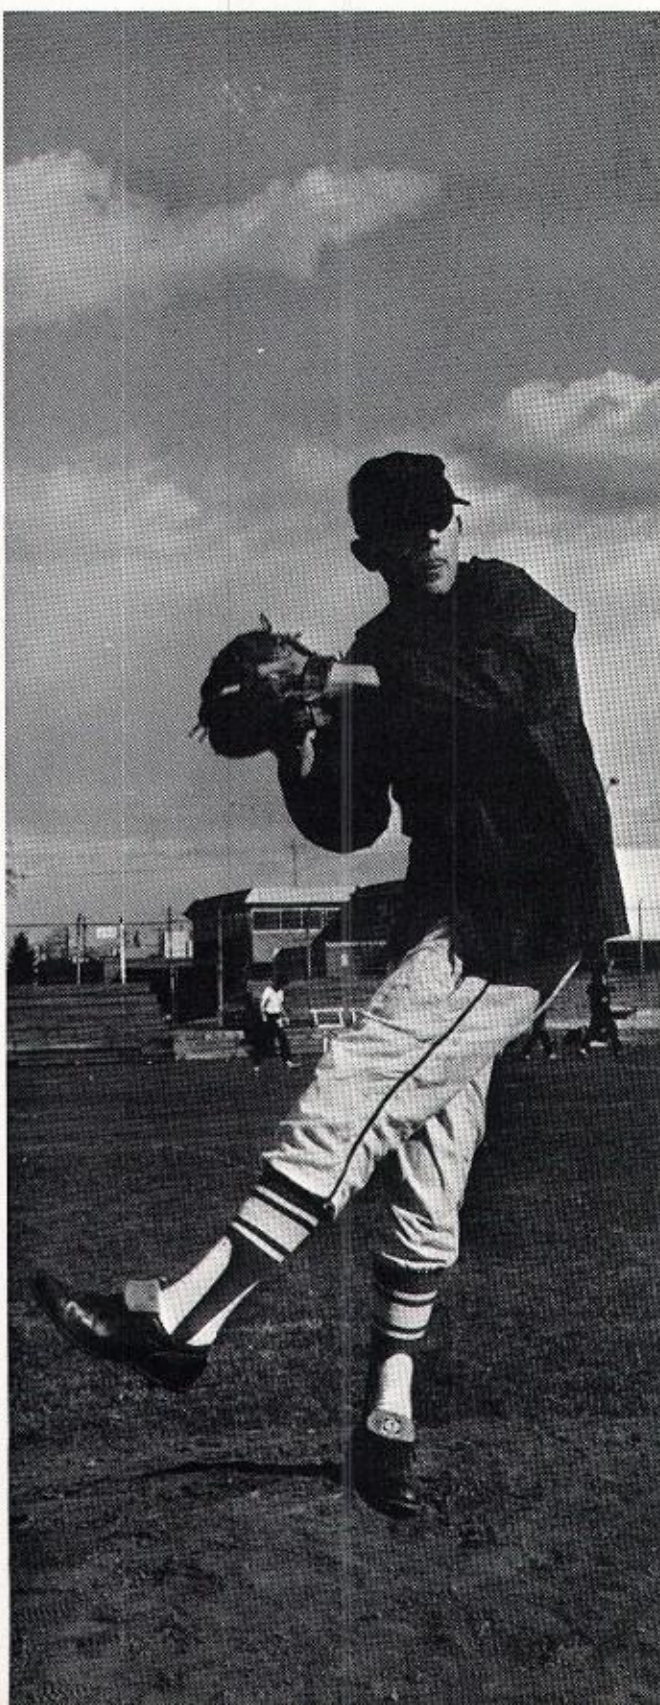

The turnout for Coach Schauble's team was rather small. But as the season got started more boys began to take interest. Coach Diedrick was very happy about the turnout. The frosh looked ambitious as they proceeded to have a fine season.

First row: Tom Bell, Chip Cross, Jack Parker, Ken Brown, Bob Wertz, Brad Bosch, Joe Lunzer, mgr. Bob Gower. Second row: Coach Schauble, Chuck Philippini, Steve Delong,

Competition for every position was very keen this year with an exceptionally large amount of pitchers. Coach Manfred was pleased with the depth the team had. Seeing most of the action were pitchers, Gary Bouch and Jim Carter. The team included many sophomores, all of whom saw lots of action.

First row: Daryl Abbott, Mike Hare, Jay Duncan, Cliff Caton, Jeff Brown, Bob Culnane, Steve Wold. Second row: Mark Kraay, Gary Bouch, Dave Retter, Del Sandberg, Doug Jamme, Dan DiCicco, Mike

And Now The Pitcher Holds The Ball,

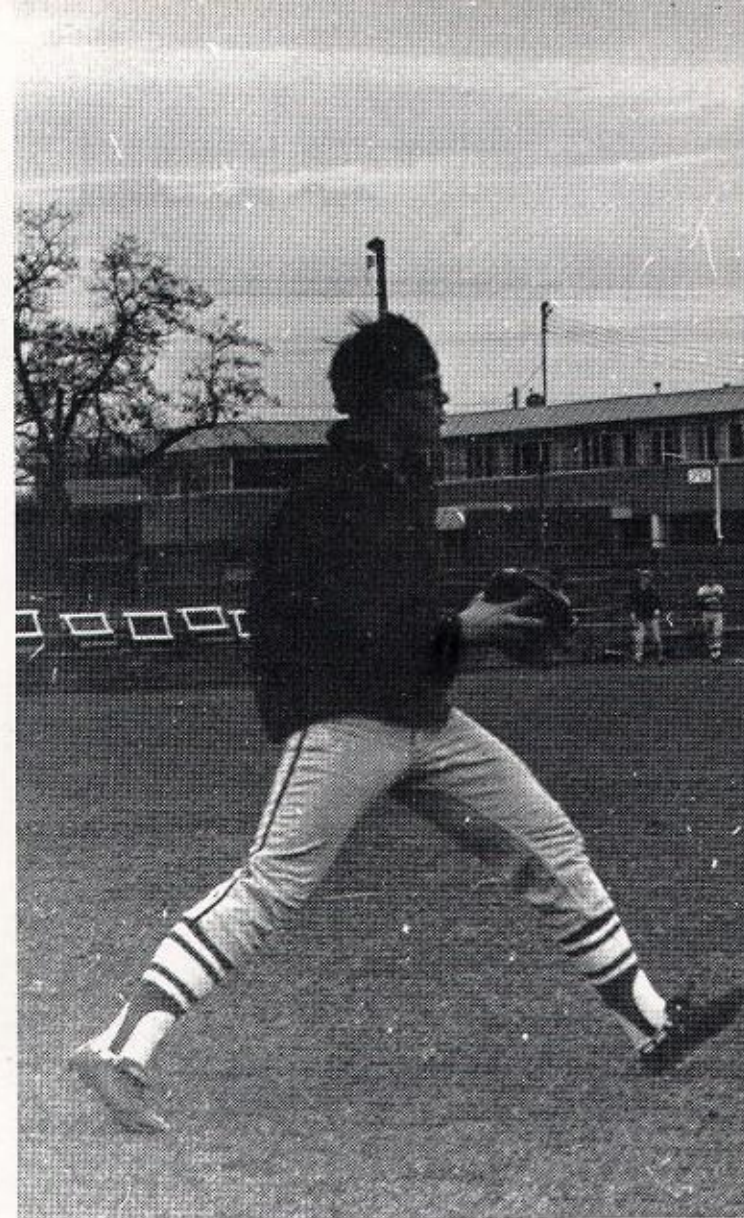

Sophomores, Dave Retter and Jay Duncan did a lot of relief pitching. Daryl Abbott provided the team with the best base running. Mike Thompson and Del Sandberg also gave much support to the team. The leading hitters were Mike Hare, Steve Hartman, and Mike Dunford.

In a recent practice Dan DiCicco grabs the throw at the plate.

Mike Hare covers the plate as Dan DiCicco picks up pointers.

Skating: Wednesday, P.E. classes enjoy roller skating.

Twirling: Every Friday many girls turn out for twirling taught by the majorettes.

Girls, every bit as athletic as boys, show their abilities every night after school at various intramural sports. Girls are offered everything from bowling to twirling.

This year, North Central is especially proud of the number one Volley Ball Team and the new Varsity Gymnastics Team.

Bowling: This year Tuesdays and Wednesdays were League Nights for North Central's girl bowlers.

A new addition to North Central's cheering unit is the Pep Club. Wearing red short sleeved sweaters and black skirts with red inserts, Pep Club shows their spirit at all sports events. Each month they present the "Miss Spirit Award," to the girl who shows the most pep and spirit. Their advisor is Mrs. Vosen who has spent a lot of time working and helping the club.

The club has over one hundred members and membership is open to any girl willing to attend and cheer at the games.

Who placed number one in the city wide school tennis competition this fall season? Ask any girl tennis player on the N.C. varsity Team and she'll tell you proudly that it was N.C. It's partly due to their dedicated tennis coach, Mrs. Lucille Lill, and the dedication and determination of the members of the varsity team themselves.

All year: The top of the "B" squad has given the bottom of the varsity a lot of competition. There were several interchanges of positions during both seasons.

In the spring, a major change in scheduling was inaugurated. A single round robin of nine singles and nine doubles matches was played by each school. This enabled more girls to have the fun and experience of competition in both events and should improve the caliber of girls' tennis in the city.

Girls' golf, coached by Mr. Simonson, is a two season sport. The girls practice three nights a week at Downriver Municipal Golf Course. Competitive golf matches fall on Tuesday, ending with a Fall and Spring city tournament involving all the city league schools.

Although the girls turning out are few in number, they all have a lot of spirit and dedication to a sport which they will enjoy the rest of their lives. They learn sportsmanship, a competitive attitude, and how valuable golf is in acquiring new friends.

Watching over all this work was new Tamarack advisor, Mrs. Lynette McGarry, assisted by Mr. Jonas with photography and Mrs. Eddy with the art work. ASB Changes Election Rules

To receive valuable leadership training, fall ASB officers, Ted Hill, Randy Schafer, Lauralee Bare and Judy Jewell went to Twinlow and Vashon Leadership Camps this summer.

ASB activities in the fall were the annual Get Acquainted Mixer and the Football Festival Dance held as a benefit for Jeff Sykes and Cheri Ross, two N.C. students injured in football and car accidents. The holidays brought the Thanksgiving Con, featuring TV's Mr. Clary Wright and the ASB Christmas Dance, "Snowball."

Besides these events, the ASB council approved a Dress Code which allowed girls to wear pants to school in the winter. North Central was the first school in the city to adopt such a code. A juke box was installed in the cafeteria and the council made changes in the constitution to permit officers to run for a second term. Three officers did so in January and were re-elected. The spring semester officers presented a carnival in March and a pay con in April at which a mountain climber was the guest speaker.

First Event is Big and Little Sister Party

The girls seen running around in black jumpers and red and white blouses were North Central's fall Girls' League Officers. They held weekly council meetings on Thursday in Cafe-West to plan the semester's activities. Drawing large crowds to North Central were such annual events as the Big and Little Sister Party in August, the Dad-Daughter Dessert and November's Sadie Hawkins Dance, entitled "Courtin' in the Cornfield". The Girls' League's three standing committees were kept busy by visiting nursing homes, sending out birthday cards and get-well cards and keeping track of the Girls' League points.

Spring League Delivers Sing-o-grams

Spring Girls' League officers were elected and installed in January. For their first con, they invited a hair stylist to speak to the girls on wigs and hair care. Something new was added on Valentine's Day when officers delivered singing messages or Sing-o-grams to students during lunches. Girls' League ran the Octopus ride at the ASB Carnival and collected Betty Crocker coupons to aid Multiple Sclerosis victims. The spring council was kept busy with the Cotton Day Dance, deciding on a theme for the Style Show, and organizing the annual Mother-Daughter Tea.

On the first day of school, the newstaff, advised by Mrs. Virginia McCarthy, distributed a six-page free issue of the North Central News to all students. This year the News broadened its coverage to include news of the community and the nation. Interviews with local representatives of the John Birch Society and the editor of the Spokane Natural were presented. The paper, printed twice monthly, took a controversial stand on film censorship in Spokane and ran a series of articles on drugs and pollution, as well as covering N.C.'s activities and sports events.

North Central's Key Club members continued to donate their time to the Spokane Day Care Center this year. They also gave fifty dollars worth of candy to Lakeland Village at Halloween and sponsored the Annual Canned Food Drive at Christmas. Cans of food, collected in the homerooms, were donated to Circle Bar J Boys' Ranch. To wind up the year, the Kiwanis Apple Sale provided the funds for several members to represent the club at the District Convention in Tacoma.

Key Club advisors were Mr. Jerry Hughes, N.C. faculty member and Mr. Lou Rucker, Kiwanis advisor.

Future Teachers of America was formed to help students learn about teaching careers. During the year members tutored at grade schools. Micro-teaching lessons were developed to give members teaching experience. Conferences were attended and many activities were planned. One was the development at North Central of American Education Week. Outstanding students and teachers were honored during the week. Advisors for the club were Mrs. Carter and Mr. Reiken.

Members of Commercial Club carry on projects and activities that will increase interest in business education. Among some of their activities, Commercial Club visited several business offices, and had guest speakers at

some of their meetings. Their service projects included writing letters for elderly people in nursing homes and apartments, and collecting canned food at a Christmas Party.

Membership is open to students who have completed one semester in a business subject and have earned at least a 2.5 grade point average. Faculty advisor for the club was Mrs. Mary York.

Future Nurses of America is a service club open to all girls interested in knowing more about different health careers. To acquaint the members, various speakers have come and talked about different aspects of the nursing profession. At the end of the year F.N.A. gave away two twenty-five dollar book scholarships to two deserving senior members. The project was supported by holding a bake sale, a candy cane sale during lunches, and by making Santa Clauses out of baby food jars to sell as well as distribute to a nursing home at Christmas.

The Science Club traveled to Washington State University for Open House November 8th. The thirty-five students spent the day looking at various exhibits in the different departments.

Activities like fossil hunting along the Spokane River after school and a trip to Hanford to examine the botanical gardens and research areas kept the club members busy. Interested students also entered the Spokane and Inland Empire Science Fair in March.

The International Club took on a new look this year. The name was changed to International Association and the club was divided into three groups of French, Spanish, and German language students. Each group was responsible for a program for

each meeting. Under the direction of Mrs. McHugo, advisor, International Association, the largest club at North Central held monthly meetings. Speakers from Holland and Sweden and an international foods dinner were some of the highlights of the year.

Members of Quill and Scroll were initiated at a city-wide candlelight ceremony in December. The club is an honorary society for members of both Tamarack and Newstaff. Each year Quill and Scroll sponsors a Current Events test and a Creative Writing contest. A special event is the annual banquet on the night before Tamarack day. The Tamaracks are revealed for the first time and awards are given for both publications. Also a special feature of the banquet is the announcement of new Newstaff and Tamarack editors.

Under the direction of Miss Betty Killingsworth, Cercle de Menage, North Central's homemaking club began the year's activities by holding an initiation dinner for

Cookbooks were another item the members offered for sale. At Christmas time, Cercle made stuffed animals and donated them to the needy.

At the match, the Warriors collected money to help cover medical expenses of one Japanese coach who was hospitalized with a heart attack. Distributive Education enables students to get a job and actual school credit through working during school time. North Central boasts two Deca clubs, Deca Checkers and N.C. Deca. These groups raised money with a spaghetti feed, selling candy and holding a bake sale. They also sold

class rings and school jewelry in the fall. Other functions are luncheons which are held to meet other Deca clubs and exchange ideas. Officers control meetings and head the various project committees. Advisor is Mrs. Karen Brockway.

The topic for this year's debate team was: Resolved: That Congress should prohibit unilateral United States military intervention in foreign countries. Under the direction of their coach, Mr. Richard Pelkie, the team debated this subject every Thursday afternoon in league debates. The league consisted of nearly all public and private schools in or near Spokane. The team entered various debate

tournaments at Gonzaga University, Washington State University in Pullman and CWSC in Ellensburg. Several persons also entered the Individual Speaking Contest at Eastern Washington State College which involved interpretive reading, expository and extemporaneous speaking. Varsity debating requires a lot of reading and research, plus ability to speak clearly, think logically and respond quickly.

Mary,

I hope you don't use the knowledge you learned from the class too soon. I'm sure you will wait to have a baby. At least we know it's better to wait to get married. I know that soon or later we will meet the right guy and maybe John can be that guy. Do you really feel we learned anything in Vocab? I don't think so. I didn't learn many new words. Remember that if you want to meet the guys you have to go out!

Have fun Mary, and I hope your senior year is a great one.

Many (guess) I have enough space to write on, don't you suppose so? It was a super busy year and I hope next year is even better. It will be though cuz we'll be someone's pet. I like had a lot of fun in here with you. Sorts became Cabie's pet. Have lots and lots of fun this summer. Don't work too hard. Take care and Good & bless you!

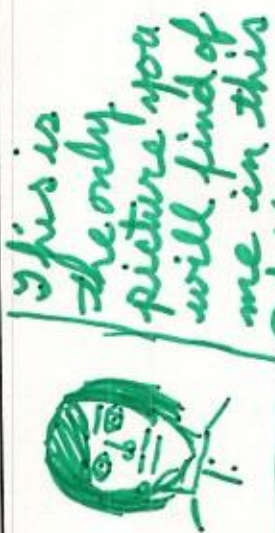

Patty

Mary,

Well, we did it again, we got in the same class together, History. Last year I had a lot of fun with you and Pam and we got in a little trouble too, remember? Well, I hope that you have a great summer and get a good tan, not that you don't have a great one now, I'll see you next year, Debbie Urge

This is the only picture you will find of me in this year. Aren't you lucky. It sure has been fun in Murial's class. (dull sounding isn't it?) I hope I have you in some of my classes next year. Have fun.

I guess we can say we're seniors now. It's kind of hard to believe, but well, I hope our senior year will be a good year, since it's though. I hope our senior year went pretty fast, didn't it? Before you our last one. This year went pretty fast, didn't it? Before you know it we'll be graduating and on our own. I know you'll be a great one. Pretty soon you'll be W.A. I know you've learned, and do what just remember everything that you've learned, and do what you think is best. If you ever need any help, just ask me, and I'll come running!! O.K.? Don't forget you've got to help me, too!

Mary,
To the girl who
answers the telephone
in 3/4 very muddy, sits isolated
in the front of the room, and
rides the Tilt-a-Whirl with guys
from Prep. Have a good summer and stay
as sweet as you are
Phil Dickson

This Has Been Our Journey Into Today

Now It's Our Turn At Tomorrow

Mary -
 Chaw! This year finally over. It's
 really too bad that you have

 Mandel

 Broadwell

Mary,
 Don't expect me to get
 mushy or reminisce about
 these past years cuz I'm not!
 Hope you have the best that's possible
 and will see ya next year.
 Love
 Deb
 Mary,
